

KEEP YOUR GUARD UP.....I think that is the lesson from the last week in the fight against COVID-19.

Personally I am really disappointed about what has happened with the 2 new cases, as 5 million people put their lives on hold or in danger to sort this out, and just like that it's been ruined.

Please continue to stay safe, keep up that hand washing, social distancing from people you don't know, and keeping track of where you go and who you see. Don't let a couple of people ruin it for the rest of us.

TOWN AND COUNTRY 2020

Boy is this shaping up to be a goodie. I have put in a word about the weather, so fingers crossed I get listened to, and the rain stays away for the tournament. (If for some strange reason it has to be postponed, Sunday 28th has been set aside. Any postponement will be on 1XX)

The back room is filling up with prizes (photo below) and there are some incredible things to win. The great thing about this tournament is everyone gets a prize. Out the back there is wine, bags, a step ladder, blankets, petrol vouchers, camping chairs, shirts, cordless drills, large tool box, binoculars, in the chiller there is eye fillet steak, kapiti cheeses, in the freezer there is lamb for the auction, a pig for the raffle, and so much more.

Remember, it is advisable to be here early to check in as there can be a crush at the starters office, and getting your cards. Please don't leave it until the last minute. **Tee off is 11.00am**, so I would aim to be here about 10.00-10.15am

There is yummy food and meals on offer too. (If you are one of the lucky sponsors getting a meal voucher, let Renee know early what you want to order, so she can make sure you get your meal when you want it.)

Here's the menu:

Chicken Meal served with creamy garlic sauce, with chips and salad \$20

Lamb Shank served on mash potato with steamed peas, roast pumpkin and rosemary gravy \$20

Scotch Fillet Steak Meal, served with chips, salad and garlic butter \$20

Beer Battered Fish Meal, served with chips, and salad, and house made tartare sauce \$10

Pizza - cranberry chicken and brie \$15

\$12 Light Meals:

Beef & Onion Bangers and Mash or Pork Chop and Mash served with peas, roast pumpkin and gravy

Bar Food available on request.

These won't last long, so make sure you get your order in, pre-orders welcome.

DOTGOLF- the on-line booking system has been opened up to outside clubs, but there are a couple of hiccups that have come to light. I am getting these looked into.

When out of town club members book, they give their credit card info with

the booking, and their card is charged when they print their card here at the club. If you are booking in a visitor, there should be a drop down menu about who is paying (I think it says me or visitor) Make sure you check this box.

The other is some of our members are showing up as having to pay green fees, this too is being looked at.

Member info - we are looking at getting the age demographics of our members, and to help help this, next time you are on MyGolf, can you update your profile with your date of birth please. It's a good time to check your contact information if you have changed your phone, email or address. This is all updated automatically updated in the system I use. Thanks

SATURDAY SOCIAL GOLF

This is on again this Saturday, played over 9 holes and tees off at 2.30pm. This is aimed at those of you are new to joining and not confident to take part in Club Days yet. There is no pressure, and support filling in your cards etc. It is open to both men and women, so come along and get your confidence up. Any other members who want to support our newbies, come along and join then for 9 Holes. for 9 Holes.

I saw some interesting reading the other day about the membership criteria for a Club in Auckland. Currently their membership is closed, and to go onto the waiting list for membership, the following needs to happen:

*To apply for membership at ***** Golf Club your intended nominator (proposer) shall submit a letter to the captain providing background information about you, your relationship with them and why they believe you will make a good member.*

"If the club captain accepts this request, application forms will be sent to the proposer who will assist you in completing them.

"... a candidate must have not only a proposer but also a seconder and an additional 12 referees who can vouch for you as a candidate.

"Each of these sponsors must be current members of the club and should have known the candidate for five years. The proposer and seconder need

to have had playing rights and privileges of seven day, six day, or five day membership for not less than five years."

The person who submitted this article to Stuff said he didn't know if he had 12 friends!

PART-TIME CLEANER

There is the opportunity for a part-time cleaner at the Club.

If this sounds like you, please contact Megan 0211619993 or Julia 021723727

Just when I decide to go home, the rain comes down again, still better to get it out of the way before Sunday. Well, that's my plan!

Have a great weekend folks, and I will be seeing some of you for the fun day on Sunday.
