

On again/off again certainly is the weather and rain at the moment. Raining quite heavily when I came to work, and now the sun is pouring in the window and it feels like I have too many layers of clothes for the heat it is generating. No wonder my car ends up looking like a wardrobe!

TOWN AND COUNTRY

What can I say, an awesome day all round. 109 people on the course, amazing prizes, sensational food and the auction exceeded all expectations.

Below is the thank-you from Kay Muir:

TOWN & COUNTRY TOURNAMENT

What a fabulous day. Although the weather was a little damp on Sunday, our annual fundraising tournament was still a great success. We had 109 entries in the field. Thank you to everyone who entered. The Clubhouse was full and buzzing afterwards with the anticipation of the Auction, Raffle, and the Prize table, which was groaning under the sheer weight of the fabulous prizes up for grabs.

The tournament committee would like to take this opportunity to thank all our sponsors. A big thanks to all the local businesses and Club members who we approach every year for sponsorship. Your contributions are so very much appreciated, it all helps to make this day successful.

A special mention has to go to our major sponsors: Whakatane Golf Centre, Bayleys, Air Chathams, Stihl Chainsaws, Bay Vets, Kemira, Valmet, Nalco, Glenn's Glass & Aluminium, SIG Whakatane Board Mills, Placemakers, Universal Packaging, Silver Fern Farms, Vehicle Grooming Services, Alan and Jenny Shaw. Your support is pivotal to the success of this event.

The Auction was fantastic! it was lively and very competitive. A very big thank you to you Huck Johnson, for the energetic and really entertaining way you run the auction. You make this part of the evening so much fun!!!

To Ross & Hilary Corbett. Thank you so much for doing one of the hardest and most complicated jobs on the night, the Prize giving. Well done!

Alan Rhodes, you are a Star. You quietly go about, collating all the results, no fuss, no bother. Thank you for always helping in your lovely calm manner.

Jenny Shaw, your support this year has been hugely appreciated, stepping in and helping with all the jobs I was unable to do.

Thank you to Tukai and Mike and their team of many helpers for all your hard work in keeping our course in pristine condition.

Thank you, Renee and her team in the kitchen, and Mere in the bar, for giving up your Sunday and keeping us well fed and watered.

Teresa, I appreciate all your help. Without your knowledge and expertise this tournament would be very difficult to organise and run. It is a big day and it takes weeks of preparation so Thank you!!!

You can breathe a sigh of relief now. No more annoying emails, phone calls or txt from me.

Now my own personal thank you to our hardworking tournament committee:

Peter & Sarah McLaverty, Julia Jacobsen, Phil Moeke, Kevin Clark, and Paul Wardlaw.

We had a very short time frame this year to make this tournament happen and the pressure was on. Thank you so much for stepping up and doing those jobs that many find difficult. It is not an easy job seeking sponsorship. Phoning sponsors, and asking for money or product.

You all did such an amazing job!

All the hard work and angst, has paid off guys, well done!! You Rock!

Until next year.....

Kay Muir

An apology of sorts.....

This is some difficulty in getting some products for the bar at the moment due to the recent 'hacking' incident with Lion Co. As a results, they have had to completely halt

then restart their production, resulting in shortage of some products.

To the end, we currently cannot source Speights Mid Ale Kegs and probably Steinlager as well. Mid Ale is in stubbies at the moment, and when the current keg of Steinlager runs out, I can't guarantee a replacement. A couple of other products that we are only getting half the order for, but hopefully that will get sorted soon.

CLUB CHAMPS

August is Club Championships month for the Club, when both the Strokeplay and Matchplay Championships are held. Information on these is in the front of your programme books, and I am sure that information from your respective Club Captains will be sent out or displayed in plenty of time for you to prepare for this. Note that Sunday's come into play for the final rounds, so keep this in mind.

Trundler Shed:

There seems to be a 'fiddler' in the trundler shed, with things being moved around, or used by people other than the owners. Please be vigilant when you go into the shed, make sure the door is secure when you leave, and I guess that classic saying applies – *if it's not yours don't touch it.*

Results are a bit thin this week as the weather affected play this week, but here we go:

Well the cloud cover is coming in again, the temperature is definitely cooling, and I just had a look at the rain radar, and all I can say is good luck for golf tomorrow! I guess my washing is going in the dryer this weekend, but I suppose there are worse things in life.

Have a great weekend folks, stay as dry as you can, and I'll see you all next week.
