

Wow, nothing like a cold start to get you moving for the day. Couple of frosts over the last few days that have delayed the start of play each day, but what glorious days we are getting.

It's getting hard to recognise people out the window when they are all going past with beanies or hats on. I better hone up my recognition skills for when I spy out the window.

Good news first up.

Congratulations to Jane Gordon on getting her first Hole In One on Wednesday. She was on the 14th, using a 6 iron.

Congratulations Jane, let's hope there are many more in your golfing future.

That brings our total to 3 'Holes In One' this year.

Big thanks to the Rangitāiki Community for their funding to get the security lighting on the eastern end of the building sorted.

We will soon be able to walk to the carparks with light to guide our way.

COVID 19 FOLLOW UP

As part of the effects of COVID 19 and the impact on the Club, the 3 Full Time staff (Tukai, Mike and myself), will be dropping down to 80% workdays over the next 8 weeks. (This is to comply with the wage subsidy we have received)

To this end, we are looking for your help at this time to support the Club and keep the course in the wonderful condition that we know and love. There is a list of jobs on the white board in the Club House that we are looking to you to fill in your name beside what you can do. Some are easy, some a bit harder, but have a look and see what you can do. Here's your chance to 'adopt' a hole and take care of it.

Jobs include:

Rake Bunkers - these have been split up by holes, and thanks to two ladies who have already put their names down.

Empty rubbish bins

Empty re-cycling bins

Spraying - 1 driver, 2 sprayers

Backpack spraying

Collect course debris (good if you have a ute or trailer)

Sand tee divots - again split up by holes.

By you helping with this, it will take the pressure off the ground staff, and let them concentrate on the course. There will even be an invite to the volunteers

hangy at the end of the year in it for you. A lot of these can be done as you make your way around the course, and if you use a buggy, even better, as you won't have to carry anything extra.

Give it some thought folks, we would really appreciate your help, we don't want the course condition to suffer.

Placing flag - we are getting new placing flags, so be aware, it will be changing from orange to **RED**. Watch out for this change.

There are posters going up about '**PLAY AWAY DAYS Golf Adventures**' We have joined up with MMCTours, a firm that organise trips away to other golf courses on day trips. They have organised a Waikato/Bay of Plenty 5 Course Tournament, and the idea is to play courses you wouldn't normally get to. There is a small information brochure in the club house, and you pay a joining fee and this covers return coach trip, 18H green fees at the course you are playing and a trundler to use.

They are also incorporating a competition through this with a winning Club at the end.

Check out the posters, and the brochures, and if this interested you, get your registration of interest back to me. (There is a minimum number of people to be eligible, but check it out anyway)

**HELLO WORLD SOCIAL DAY
SUNDAY 5TH JULY
12.00PM SHOTGUN START
ENTRY SHEET IS UP DOWNSTAIRS**

Results from this week:

Tuesday 30/7/2020

9H Ladies - ANZAC Trophy - C Robinson

Nett LGU - C Robinson 33, J Julian 35, C Scott 36, D Heal 36
