

I bet you all thought I had forgotten to do the email today, but guess what, you are wrong. Just got home after a really big function at the Club that has taken all the afternoon, so running a bit behind.  
Huge thanks to Ali and Jane for helping me today, if it wasn't for you I would still be there cleaning up.

Speaking of Jane, did you catch the article in the Beacon today showing our 3 'Hole-in-One' recipients. Three so far this year and it's not over yet.

Congratulations to Hilary Corbett, Ross Burrows and Jane Gordon.

There a couple of things I have been working on lately. One is the email database in DotGolf, and once I get everyone entered, hopefully it will solve the problems of xtra 'spamming' me. The other is an on-line calendar on our website. This has been a real learning curve for me, but hopefully it is successful. It is one I can change and update as needed, so fingers crossed it works for you all.

### **MEN'S CLUB CHAMPS**

These are starting on Aug 1st, so get ready for these. Make up your own four on this day, and be aware that the handicaps have been aligned with BOP Golf, so note the following:

Senior - 0 - 9.5

Intermediate - 9.6 - 15.5

Junior - 15.6 - 21.5

Junior B - 21.6-36

The Powdrells Cup is run during the first round of the Champs, and it applies to over 55's, and it will be awarded to the best nett over this round.

## TOWN AND COUNTRY TOURNAMENT

I'm pretty sure that this is all done and dusted now, and what a tremendous success it was this year. Not sure whether it is because people were just glad to be back at golf, or what, but the generosity this year of the sponsors and members was astounding. At this stage it looks like around \$10,800 incl profit this year, and that must be close to a record. Well done to the organising committee and everyone involved.

Couple of big tournaments coming up that you may want to mark on your calendars.

Pro-Shop Day - this Sunday 19th July, 11.00am shotgun start. Enter at the Pro-Shop

Women's Refuge Teams Tournament - Friday 24th. This is 9 or 18 hole Ladies, teams of 4. Don't worry if you don't have a team, we can get you into one on the day. 9.30am multi-tee start for 18H, and 11.30am start for 9Holes. Contact the office to enter.

Bay of Plenty Men's Masters - Sept 5 & 6. Poster and entries down stairs. 2 Division by age.

No results this week sorry, forgot to pick them up before I left work.

Coming up:

Tomorrow - 18/7 - Men - Nett haggle

Hopefully you can see the online calendar for anything else, as I forget my programme book as well.

Well, that's going to be it for me, need to get something to eat, so I wrap this up.

Stay safe and warm folk, and I'll see some of you over the weekend.

TERESA
