

I'm getting a head start today, as we have the Women's Refuge Charity Tournament here today, and I'm a bit worried I'll lose track of time later on.

Good week this week for everyone excepts the Vets and 9 Hole Ladies, with everyone else getting in their golf mostly dry. Hard to keep up with the weather at the moment, but the upside is the course is green and all comments are good about the condition at the moment.

Some of you will have received a copy of your subscription statement in the last week. Can you please check that your re-payments with clear this account before 31 August, when the next round of subs goes out.

If not, please increase your re-payments, set up an automatic payment, or clear the balance before 31 August.

Remember that if you get 60 behind the minimum required, Dotgolf will prevent you from printing a card.

Club Member Survey:

By now you should have received your survey via email, if not please check your spam box.

Your opinion absolutely matters.

As we enter a new phase of post Covid, please realise that the economic climate may have a huge impact on funding.

We need to have our structures and systems, and incomes streams at a premium so that we can serve you better and retain our club.

We need new members to float our club profitably and efficiently.

If we do not achieve that through innovative thinking, then we need to consider alternatives. This may mean redoing, resetting, reorganising how we have done things in the past.

You matter – please tell us what you think and submit your survey.

If you would prefer a printed copy of the survey, please ask at the office.

Please note that some of this will have come from the email address thchemist@xtra.co.nz

VETERANS

Men's Vet's Golf Programme

The 2nd and concluding round for the Blind pairs Nett competition will be held on Tuesday 28th July.

The 1st round of Men's pair match play will be on Tuesday 11th August, and follow on accordingly one week behind what is in the programme book. The sheet for this event is up on our board.

Regards

Miro

IF YOU ARE INTERESTED:

There are some cart shed spaces available at the moment if you are considering getting a cart, let me know and I can tell you what is involved.

Also, trundler spaces are available also, again, let me know.

T-Signs - they are possibly a couple a spaces come available for these, so if you know of a business that could benefit from great exposure, and a wonderful club to be associated with, give me their info and I will contact them. Same goes for a couple of 'big' signage spaces.

Now a delicate issue, and coming from a family of predominately girls, not one I am really familiar with.

Since I have been here I have learnt a lot about the different types of urinals and how they work. And I have noticed that the ones downstairs require being flushed after use, and I believe this is not happening on a regular basis. Please be aware of this and take the appropriate action. Thanks guys

With staff sick and away at the moment, I hope you aren't getting sick of seeing me at the moment.

Fingers crossed after this weekend, everyone will be back on deck and things can get back to normal.

Thank you so much to everyone who has stepped up and helped around the place over the last couple of weeks as we deal with these interesting times. We are so lucky to be in New Zealand, when you read the news about some of the things that are happening overseas. My Dad always referred to NZ as God's Own, and I think it truly is.

Well, I'll get this out now so I can get the rest of the jobs done before all these ladies come in off the course.

Have a great weekend folks, and I'll see some of you tomorrow.
