

I'm sitting here with bated breath awaiting the announcement tonight on possible changes to COVID levels and the effect it will have on the Club and golf in general.

Hopefully it will all go well, and if we stay at Level 2 as we are now, please observe the following:

Observe Social Distancing

Personal hygiene and hand washing is a must.

Avoid touching the flag sticks.

Contract tracing is as important as ever - the tracing app QR code is at all entry points.

Should our level change - I will send out an email if we get confirmation, but know this, if we go to level 3, the Club house and all facilities will be closed, and you will only be able to play on your own, or within your bubble.

Also, Club Championships will be deferred until a later date.

We know there was a lot of rain here recently but check this out.
Not sure where the nearest point of relief would be?

TRUNDLER SHED DOOR

Somehow folk are triggering the 'stay unlocked' button on the inside of the trundler shed door, and it is not self-locking when you leave.

Please don't tamper with this, as the security of the whole trundler shed is being jeopardized.

Well, that's about it.

If there is any change to golf happenings due to the press release this afternoon, I will be in contact with you, either through email, on the website or on Facebook. We have all done so well so far, I sincerely hope this is just a hiccup in the big scheme of things, and we can all stay on track, enjoying our great course, and each others company.

Remember Folks, Wash your hands, Keep social distancing, and record where you have been.

Stay safe, stay well, and I'll be in contact soon.
